We hope you enjoyed reading our last Newsletter and we can now bring you up to date with what is happening in the group....

This year we have held our **Family Fun Day** and our annual **AGM** that were both once again a great success!

The **Family Fun Day** was held on 14th August 2005 at the Royal Oak, Kirby Muxloe. We had a very good turn out both by regular and new members, all of which enjoyed the Sunday Lunch that was provided by *The Group*.

Hand and Chest Deficiency

This years **AGM** was held on Sunday 25th September 2005, at **The White Post** at Newark, Nottinghamshire.

"Thank you to all of you that have attended and supported our get-togethers.

Forth coming events 2006:

Charity Line Dance!

We are organising the **Charity Line Dance** for next year, we will confirm the date soon. We hope the evening will again be a great success!

We all enjoyed a fantastic meal provided by *The Group* within the restaurant area and then we congregated in the function room for the formalities of the AGM. The discussions this year were both interesting and informative for all those present.

*"If you were not able to attend this years AGM we hope you can make the next AGM... and we would like to say once again that members can drift in and out of The Group as and when they feel fit. Also we still have vacancies on the committee, we will welcome any members to come along to future committee meetings.....
 -please just get in touch with us for a warm welcome -*

Finally we hope you enjoyed our fourth newsletter and as always we welcome any comments or suggestions from you for The Group."
